We are proud to be the preferred supplier to many well-known institutions including:

From Screen to Reality

Whether you're looking to create a premium environment or to bring your studio to life, Leisure Concepts gives you the tools you need to bring inspiration and creativity to your gym.

When you need help planning your facility's layout and providing design to meet your programming needs, our tools can be used to plan the ideal layout for your commercial club, hotel fitness

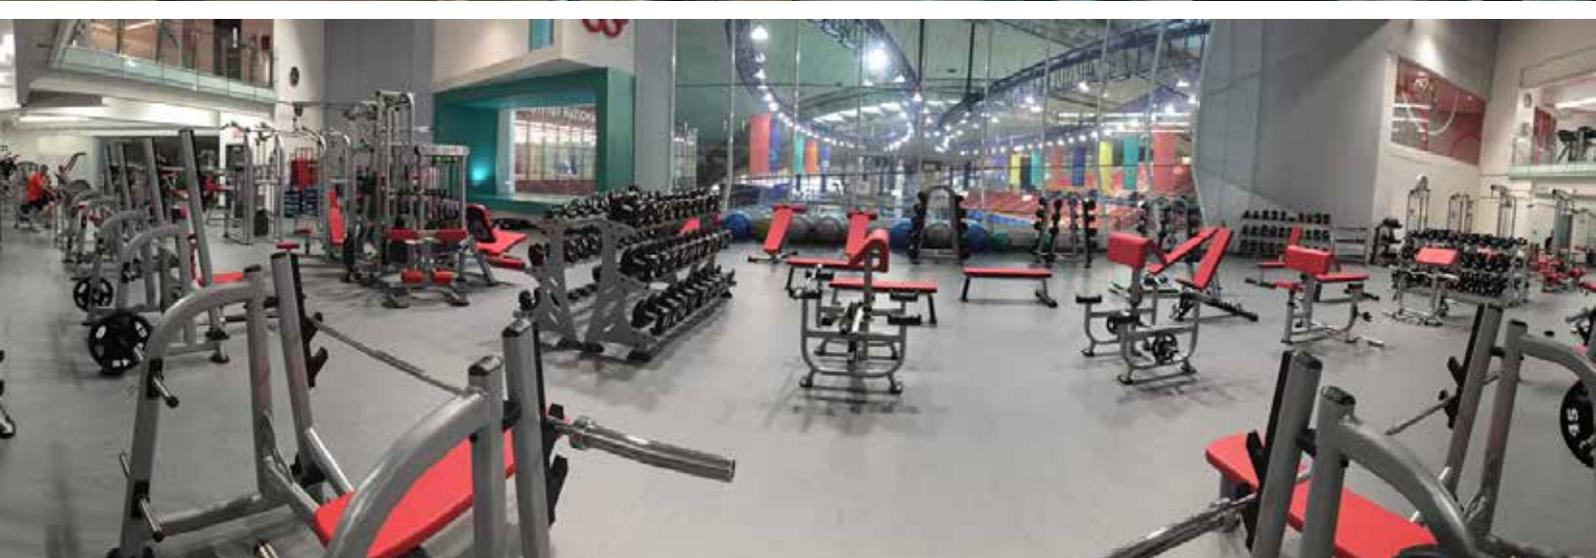

centre, personal training studio, home gym or any other workout space.

We can help design your facility and bring it to life. We provide drawings that take your 2D layout and make it into a 3D rendering. These high-quality, crisp 3D layouts can help you to view the most space efficient design of your facility by highlighting its details and possibilities.

ELEIKO

When the Eleiko bar was introduced in 1963 the world of weightlifting was stunned – a bar that could last an entire competition without bending or cracking! Since that day the Eleiko brand has set a new standard that has revolutionized the world of weightlifting.

Today Eleiko offers a wide range of strength products: bars and barbells, platforms, racks, benches and accessories – all products made to Eleiko's high standards. Participating in international competitions is an important part of its evolution. It is there, surrounded by lifters and coaches, that Eleiko gets the inspiration for its new product development.

ELEIKO

It is Eleiko's mission to continue to serve athletes worldwide with methods and products to obtain and develop maximum physical strength.

SOLID FOCUS

SOLID FOCUS® provides superiority in staple fitness products and a wide range of optimum training tools for all facilities and applications. SOLID FOCUS® offers a variety of strength and conditioning and functional fitness equipment to meet the rigours of high intensity usage.

MERRITHEW

MERRITHEW™ was founded in 1988 with its premier Pilates brand, STOTT PILATES®, delivering best-in-class Pilates equipment, education and media to everyone from avid exercisers, elite athletes to rehab and fitness professionals worldwide. STOTT PILATES® is recognised as The Professional's Choice™ by studios, fitness facilities, fitness professionals and the consumer market worldwide due to its superior design, component parts, adaptability and durability.

EDUCATION

Leisure Concepts supports its customers by delivering diverse and effective education programming that will inspire staff and motivate members to achieve their fitness goals. Comprehensive training packages can be designed to include a mixture of on-site education and on-going access to education courses. As part

of Leisure Concepts' commitment to education, it offers on-site training on equipment to prescribe exercise and to maximise use of the unique features, ensuring that these are passed on to members. Our full schedule of training courses as well as some course examples can be provided upon request.

FINANCE

Starting a business or buying large amounts of equipment can place a strain on cash flow. It is not uncommon to finance large or small capital purchases to assist with initial start-up and cash flow requirements.

Leisure Concepts Finance has been specifically developed for the fitness industry because we understand that your equipment and accessories are just one of a huge range of expenses you'll encounter when setting up and running your business. With no upfront costs and affordable weekly payments you'll have the option to purchase individual pieces of equipment or the entire package outright at each 12 month anniversary.

Our finance can save you money and is ready to help you find the right solution for your business.

AFTER SALES SERVICE

Leisure Concepts gives peace of mind that your fitness equipment investment is well looked after. It is delighted to offer clients all the information and help they need to not only safely and effectively use this equipment, but to also regularly maintain and care for it.

As with any investment, preventative maintenance is the best way to ensure you get the best from your products. Which is why Leisure Concepts can tailor a full schedule of maintenance, no matter what you purchase.

Warranty Information

Leisure Concepts Australia offers a no fuss 12 months Limited Warranty on all products across its range.
